

# Kristen Sanborn Todd Scholarship Award

Kristin's journey began 36 years ago and her success in life was born from an early dedication to gymnastics in Orlando and was a part of the original competitive team at Orlando Metro Gymnastics in the early 90s. She attended the University of Georgia, where she met her husband Brian. Kristin worked as a congestive heart failure Nurse Practitioner. Kristin wed Brian Todd in 2007 and their son, Logan, joined the world in 2013, shortly after Kristin's cancer diagnosis. Kristin passed away from metastatic breast cancer on April 14, 2018. Orlando Metro Gymnastics has created a scholarship in her honor. For more information about her journey go to: [tigerlilyfoundation.org](http://tigerlilyfoundation.org)
