

Bell / Sanborn Todd Scholarship Award

Leslie Ann Bell's interest in gymnastics began in 1996 at the young age of four while watching the summer Olympics. She spent most of her 15 years of training at Orlando Metro Gymnastics where she earned a full scholarship to Brigham Young University. Her years of training gave her a powerful drive for life. There was no adventure too big. She served a mission to Tokyo, Japan where she enjoyed teaching English to adults and gymnastics to children. Leslie's neurological illness began in 2020. She demonstrated incredible strength. Leslie's mortal journey on earth ended September 1, 2022.

Kristin Sanborn Todd's journey began in 1981 and her success in life was born from an early dedication to gymnastics in Orlando and was a part of the original competitive team at Orlando Metro Gymnastics in the early 90s. She attended the University of Georgia, where she met her husband Brian. Kristin worked as a congestive heart failure Nurse Practitioner. Kristin wed Brian Todd in 2007 and their son, Logan, joined the world in 2013, shortly after Kristin's cancer diagnosis. Kristin passed away from metastatic breast cancer on April 14, 2018.

Orlando Metro Gymnastics has created a scholarship in their honor.
